That's an old gag the Republican party is giving us, the Dick Tax racket.

Wheat is quoted at sixty-five cents on the Louisville market. Our millers are paying the same price here.

Jo Blackstone is still in the ring fighting for free silver and the rights of the people. We are thinking it will be a cold day when they down Mr. Blackstone.

There is life in the old party yet. The Democrats are not knocked out in old Breckinridge by a large majority. All they have to do now is to nominate a good clean man, stand up squarely on free silver platform and elect him.

The Democratic and Republican Committees, respectively, will arrange for joint debates during the campaign, between Hardin and Bradley, the candidates for Governor. That they will be worth a hearing no one will doubt. Just when and when the Hon. Thomas Pettit will enter the ring no one seems to know.

The bonds of Mexico, although payable in silver, sell as readily in Europe as do the bonds of America, payable in gold. Mexico has plenty of money, her people are all prosperous and they have no trouble in meeting their obligations. If the "Mexican level" will bring us progress and prosperity, we say, let us have it.

In liver using countries the prices of all farm products are steady and uniform. It does not take many bushels of wheat to-day to pay a debt than it did years ago. The purchasing power of a dollar is greater than it was then. Five years ago or ten years ago. It is the same also in wheat or cotton. One bushel of wheat or one pound of cotton buy the same amount of money.

It is estimated that the wheat crop of this country will be 100,000,000 bushels short while the reports from England speak of a good crop. We do not encourage great drought, is upon England and wheat, barley and oats are not at all promising and do not approach anything near a full yield. There is no reason why farmers should not get fair prices for their products this year.

There is a call by the chairman for the county Democratic Committee to meet and look about for a candidate for the gubernatorial election. There will be three candidates in the field. Whether three or forty, it matters not, one of them should be a Democrat. There is no reason that we should vacate the field and turn it over to the Populists and Republicans. Ours is the party of the people, and while it occasionally makes mistakes, it is always right in its mission. We want a man to stand up and we want him to be a good man. The Chairman is right in bringing the matter before us. Let us make an organization and keep the party together. Not only keep up the organization, but go into it intelligently for us.

This present news rounds out the news from the News as it exists as a newspaper. Let us be on our guard past we have reason to feel satisfied to the public for favors shown us. At the same time we have tried to merit their patronage and good will by giving them a reasonably good paper in return. Our paper has been to make the News a clear paper suitable for the homes and families of the people of the surrounding counties. It has succeeded.

It has been labor in and out of season to make the News a first-class county paper, both in the reading and advertising matter. These efforts have been appreciated, mainly, by our patrons and more especially by those who have the best of the public. In the future as in the past, we hope to be able to acknowledge a continuance of these favors and an increased share of public patronage.

The World's Fair Tests showed how big a powder so pure or so green in leaving power as the Royal.

Understand a big Democratic banner was unfurled and held up, and state and county candidates would be on hand and it will be held at the most convenient and central point in Colortown.

Mrs. McMeekin and her daughter, Mrs. McMeekin were at Oklahoma the 7th of this month. Mrs. McMeekin writes Mrs. Gabe Meader that the recent cyclone did much damage there, frightening them terribly but no lives were lost.

There is an outing party from New Albany and Louisville at Sulphur Springs. Misses May Dee Pusey and Lila Haynes are with the party. Mrs. J. W. Richel will be in charge of a person to the spring this evening where a jolly time is in course in store for the pleasure seekers.

Charlie Bryant is to be a candidate for Legislator on the Republican ticket. He is one of our Meade County boys-honest, upright, a good citizen, a nice gentleman and excellent neighbor, neither in the world wrong with him excepting on the wrong side in politics-at least I think so.

The entertainment given by the ladies of the Catholic church was one of the most successful ever given in this section. The rooms were beautifully decorated and draped with many new features introduced to attract. A nice little amount was realized to be appropriated (thought best) for the church.

I notice in a Chicago paper a very complimentary mention of Miss Nelia Pusey who took a prominent part in a piano recital there last night. She capricious, for preference, to play the piano, is a daughter of Mr. Evans Pusey and Lizzie Munford Pusey, only about ten years old—unusually bright and intelligent for her age.

Now, Preston, midway who is flattered in manner and profuse in compliments? That beautiful dress you described showed womanly knowledge—how I admire a womanly woman, who believes in charming attire and not the ridiculous claim of ignoring the value of dress. I am a member of the Diamond, a pistachio pocketbook; if so, the most exquisite simplicity in bewitching the charwoman.
